Plaintiff Corbis Corporation ("Corbis"), through its attorneys, alleges as its complaint against Defendant MobileToys, Inc. ("MobileToys") as follows:

INTRODUCTION

1. Corbis is a leading visual-solutions provider, licensing images that enable publishers, advertising and design agencies, filmmakers, and other creative professionals to tell their stories with impact extending beyond words. Recently, at least sixteen images from the Corbis collections were misappropriated, and used in at least two hundred instances, without license or permission, or exceeding any license or permission—contrary to the rights of Corbis and of the photographers that Corbis represents. Such images were reproduced, displayed, distributed, and otherwise misused—in pursuit of profit—on Defendant's website without

 VIOLATION OF THE DMCA

adequate payment of compensation to Corbis for their use. Because Defendant MobileToys has failed to satisfactorily respond to Corbis' good-faith demand, attempts to informally resolve this dispute have proven futile, and Corbis files this action for copyright infringement under 17 U.S.C. § 501, *et seq.*

JURISDICTION AND VENUE

2. The Court has subject matter jurisdiction over this action pursuant to 28 U.S.C. §§ 1331 (federal question) and 1338 (copyright), as this action involves claims brought under federal law and the United States Copyright Act, 17 U.S.C. §§ 101, *et seq.*

3. This Court has personal jurisdiction over Defendant as it does business in the State of California and in this District. Defendant sells its products and services, such as its InstallCard, at both national retailers with locations in this District and at independent retailers located in this District. Among other things, Defendant displays its interactive webpage throughout this district through the web addresses www.mobiletoys.net and www.soundsolutionscorp.com. Defendant also does business with and through the following authorized dealers in this district, among others:

| | |

| Motor Music | Daly City, CA |
| Frank's Of Berkeley | Berkeley, CA |
| Hi-Tech Car Audio | El Cerrito, CA |
| AC Customz | Richmond, CA |
| Platinum Auto | Oakland, CA |
| Marin Auto Stereo & Alarm | San Rafael, CA |
| Rolling Thunder Car Audio | San Rafael, CA |
| Sound Innovations | Hayward, CA |
| Street Beat | Hayward, CA |
| Autosonic | Novato, CA |
| Kustom Kar Audio | Petaluma, CA |
| Pierson's Auto Stereo | Livermore, CA |
| Audio And Performance Systems | Fairfield, CA |
| California Car Sounds Inc. | Campbell, CA |
| Caracoustics | Campbell, CA |
| Cartronics | Santa Rosa, CA |

4. Venue is proper in this District pursuant to 28 U.S.C. § 1400(a) because Defendant is doing continuous business in this District, Defendant or its agent may be found in this District, and a substantial part of the events giving rise to the claims described herein, including acts of

1 infringement, occurred in this District.

2 **INTRADISTRICT ASSIGNMENT**

3 5. Pursuant to Local Rule 3-2(c), Intellectual Property Actions shall be assigned on a
4 district-wide basis.

5 **PARTIES**

6 6. Corbis is a Nevada corporation with a principal place of business at 902
7 Broadway, New York, New York.

8 7. Upon information and belief, MobileToys is a Delaware corporation with a
9 principal place of business at 88 Essex Street, F14, Haverhill, Massachusetts.

10 **BACKGROUND**

11 8. Corbis is in the business of licensing photographs and fine art images on behalf of
12 itself and the photographers and other licensors it represents. Corbis offers a preeminent
13 collection of more than 100 million creative, entertainment and historic images and serves more
14 than 50 countries worldwide. Generally, the images in Corbis' collections were taken by
15 professional photographers who earn most or all of their livelihoods from the licensing fees
16 Corbis is able to obtain for their images. Corbis' collections highlight well-known photographers
17 and some of the most recognized images in contemporary society, including cutting-edge
18 contemporary creative imagery, and images from cultural institutions, museums and
19 photojournalists. Its customers include thousands of leading print, interactive and broadcast
20 advertising agencies, direct marketing agencies, corporations, small and medium sized
21 businesses, publishers and media companies.

22 9. The images in Corbis' collection are the subject of copyright protection under the
23 laws of the United States. Corbis has protected the images in its collection and subject of this
24 action by systematically registering the copyrights thereto.

25 10. Corbis owns and operates a website located at the Internet address
26 www.corbis.com ("Corbis Website"). At the Corbis Website, users are able to search hundreds of
27 thousands of images from Corbis' collection and then pay to license the images for specific uses.

28 11. Upon information and belief, MobileToys owns, operates, and maintains a website

1 located at www.mobiletoys.net and a website located at www.soundsolutionscorp.com
2 (“MobileToys and SoundSolutions Websites”). The MobileToys and SoundSolutions Websites,
3 which are highly interactive and transmitted nationwide via the Internet, advertise, sell, and
4 otherwise offer MobileToys’ products and services.

5 12. Upon information and belief, in or around January 2003 and on various other
6 occasions, Defendant copied and/or uploaded the Corbis images onto the MobileToys and
7 SoundSolutions Websites, without authorization, and without paying for the required commercial
8 license fees.

9 13. The same Corbis images were reproduced, displayed and distributed to the public
10 on the MobileToys and SoundSolutions Websites as part of that site’s marketing and advertising
11 material in an effort to attract business from those visiting the cite.

12 14. Attached as Exhibit A is a representative, non-exhaustive sample of true and
13 correct copies of presently known Corbis images registered with the Copyright Office (“Corbis
14 Images”), with screen shots taken from the MobileToys and SoundSolutions Websites depicting
15 some of Defendant’s unauthorized uses of the Corbis Images.

16 15. In or around October 22, 2007, Corbis provided written notice advising
17 MobileToys of its unauthorized use of the Corbis Images.

18 16. In response to such notice, MobileToys failed to produce any evidence of valid
19 licenses for the hundreds of unauthorized uses on the MobileToys and SoundSolutions Websites.

20 17. Attached as Exhibit B is a chart identifying the United States Copyright Office
21 registration certificate numbers and registration dates for the Corbis Images displayed in Exhibit
22 A, evidencing that Corbis owns or controls the registered copyrights to these images that were
23 copied and displayed on the MobileToys and SoundSolutions Websites.

24 **FIRST CAUSE OF ACTION**
25 **COPYRIGHT INFRINGEMENT**
26 **[17 U.S.C. § 501]**

27 18. Corbis repeats and realleges the allegations of paragraphs 1 through 16 as if fully
28 set forth herein.

1 removed or altered without authority of Corbis, the entity that controlled the copyrights.

2 28. Defendant knew or had reasonable grounds to know that its conduct specified in
3 the prior two paragraphs would induce, enable, facilitate or conceal Defendant's infringement of
4 copyrights, as described above.

5 29. Defendant's conduct therefore constitutes a violation of the Digital Millennium
6 Copyright Act, 17 U.S.C. § 1202(b).

7 30. As a result of the conduct described above, Corbis is entitled to relief against
8 Defendant, including, without limitation, injunctive relief, actual damages or statutory damages in
9 the amount of up to \$25,000 per violation, statutory costs and attorneys' fees, and prejudgment
10 interest.

11 **RELIEF REQUESTED**

12 WHEREFORE, Corbis prays for relief as follows:

13 1. For orders enjoining Defendant from infringing Corbis' copyrighted images
14 pursuant to Section 502 of the Copyright Act, 17 U.S.C. § 502, and enjoining Defendant from
15 displaying Corbis' copyrighted images pursuant to the DMCA, 17 U.S.C. § 1203(b);

16 2. For an award of Defendant's profits and for damages in such amount as may be
17 found, or for statutory damages of (a) not less than \$750 or more than \$30,000 per image pursuant
18 to 17 U.S.C. § 504(c)(1) or, upon a finding of willful infringement pursuant to 17 U.S.C.
19 § 504(c)(2), up to \$150,000 per image, and (b) not less than \$2,500 or more than \$25,000 per
20 image pursuant to 17 U.S.C. § 1203(c)(3)(B);

21 3. For an award of costs, pursuant to 17 U.S.C., Sections 505 and 1203(b)(4);

22 4. For an award of reasonable attorneys' fees, pursuant to 17 U.S.C., Sections 505
23 and 1203(b)(5);

24 5. For an award of prejudgment interest on the amount of any award to Plaintiff; and
25
26
27
28

6. For such other and further relief as the Court deems just and equitable.

| <p>MobileToys</p> <p>We develop software that falls into two categories, desktop applications and internet applications. Our desktop applications are coded using Borland Delphi as the primary development platform. Delphi enables developers to create highly scalable solutions with a small installable footprint. By utilizing Delphi, the productivity of our development team increases.</p> <p>Our internet web applications utilize Microsoft's family of .Net solutions. At the foundation is the .Net Framework which consists of classes and a runtime environment. Applications written utilizing the Framework realize quicker execution times (web applications are now compiled into assemblies giving them an added performance boost over the older interpreted style), faster SQL Server database interaction utilizing ADO.NET, integration from the ground up with XML and support for true object oriented development, a step ahead of the older spaghetti type coding techniques that have been utilized in older web development platforms. Graphics are designed in Adobe's and Macromedia's line of graphic's editing software.</p> | |
